Additional requirements:

- 40-60W acoustic bass amplifier (AER, Schertler, Ampeg...)
- **x4** chairs **without** armrest
- **x1** Power supply next to Cello player
- **x4** music stands
- **x4** Mighty Bright light (for poor lighting conditions on the stage)
- **x4** bottle of water

Considerations:

- The organization provides a private and secure room to store the instruments and to warm up before the show.
- The organization provides a small catering upon arrival to the venue (water, coffee, tea, fruit, snacks...)
- We would highly appreciate it if our concert could be recorded in audio and video for promotional purposes. If possible, please send us the footage at info@northseaquartet.com via Wetransfer or similar services.
